

11th International Conference on
**Function Spaces, Differential Operators,
and Nonlinear Analysis**

Oberhof/Thür. (Germany), September 22 - 28, 2024

Last Announcement

Dear Colleague,

we have received your registration for the

**11th International Conference on
“Function Spaces, Differential Operators, and Nonlinear Analysis”**,
(FSDONA-2024),

September 22-28, 2024.

<https://fsdona2024.uni-jena.de/>

with great pleasure.

This meeting will continue the series of previous successful FSDONA-conferences held in Finland, Czech Republic and Germany (*Sodankylä-88, Friedrichroda-92, Paseky-95, Syöte-99, Teistungen-01, Milovy-04, Helsinki-08, Tabarz-11, Prague-16, Turku-19*). It is again our intention to stimulate international collaboration and to promote the interaction of the theory of function spaces with its applications to various fields of mathematics.

The conference is essentially funded by the German Research Foundation (DFG), no. Ha 2794/9-1 and the Friedrich Schiller University Jena.

We expect about 75 participants, almost all of them on site in Oberhof. Now we would like to give you the latest information.

1. Arrival

Oberhof has direct bus connections from Suhl/Zella-Mehlis and Gotha. Both cities can be reached within approximately 3 hours by train from the big airports in Berlin and Frankfurt/Main. So usually you will need to use both, trains and busses, to come to Oberhof. Please visit our website

<https://fsdona2024.uni-jena.de/travel.html>

for further details.

We try to arrange that someone will welcome you at the bus station in Oberhof, please look for the conference poster. If you do not find us there, you may also walk yourselves to the hotel, it will take you about 10 minutes (please have a look at the map on our conference page).

We may also organise a few shuttles from Zella-Mehlis to the hotel if needed. In that case we need to know your estimated arrival time in advance and ask you to inform us about the details in your earliest convenience, but **not later than September 10, 2024**.

In case of some trouble (delay, ...) you can contact us via the following phone numbers:

Hotel	:	+49 36842 286 0
Organisers	:	+49 176 64155665

On Sunday evening (September 22, 2024) we start with a joint dinner available between 18:00 and 21:00. As every (following) day it will be prepared in buffet form. If you come late or do not want to take part in it, please inform us in advance, that we can smoothly arrange everything. Departure is planned for Saturday, September 28, 2024, after breakfast.

For those of you coming by car, free parking is available directly at the hotel.

2. Conference Schedule

The lectures start on Monday, September 23, 2024, at 9:00, and will end on Friday, September 27, 2024, at 18:00. The scientific programme is available via

<https://fsdona2024.uni-jena.de/talks.html>

Nevertheless we shall send a separate email to all of you having a talk on the first day. The lecture rooms will be equipped with data projector + laptop, and flip chart. There will also be an opportunity for ad hoc -seminars.

For those of you, using the data projector, talks should be prepared in a pdf file preferably. To avoid last minute problems, you may send us the pdf file of your talk **by September 20, 2024** (this applies especially to speakers of the first day).

We shall contact those of you, who need to give their talk online, for further details.

Wednesday afternoon is reserved for the excursion to *Gotha* or the *Hiking tour*, details you can find in the second announcement. You have already indicated your interest to take part in it. The excursion to Gotha, including the guided tour and some contribution to the travel expenses (bus) sums up to **30 €** per person. The contribution should be paid in cash at the conference registration in the hotel.

We shall have a special conference dinner on Wednesday evening.

3. Registration

The conference office (*located in the foyer of the hotel*) will be open on Sunday afternoon from 15:00 until late, and on Monday morning starting at 8:00. You will get the conference material and also acknowledgements of receipt there. Note that the editorial deadline for our abstract booklet is **September 10, 2024**. So any changes of the titles/abstracts of your talks cannot be updated in the booklet afterwards. Please, check as well whether we collected the correct affiliation(s) of you, they will appear in the same way as on our web page

<https://fsdona2024.uni-jena.de/participants.html>

Moreover, we plan to include your email address in the participant's list in the printed abstract booklet. If you mind us doing so or want to display another one than the one we use for our correspondence with you just now, please inform us immediately.

The hotel has free wifi access, you will get further details at the reception after arrival.

Just keep in mind, please: there was no need and no possibility to book your accommodation and conference package directly in the hotel yourself, this was organised by us. Unless you have informed us in advance (not to stay in the hotel), you are expected in the conference hotel and have to cover cancellation fees there otherwise. Similarly, if there is some change in your arrival or departure dates, please inform us at your earliest convenience, to avoid or reduce such cancellation fees in that case.

4. Lecture Notes

Instead of (usual, printed) *Proceedings* we plan to offer all speakers of this workshop the possibility to send us their material, slides etc. afterwards (preferably in **pdf**). Alternatively also a (closely linked) paper would be welcome. We collect all this material (or links to your personal web pages) and "publish" it on a special web page of this workshop such that participants can download the files. You may contact us if you have any questions.

5. Venue

The conference will take place in

“Wagners Sporthotel Oberhof”, Oberhof/Thüringen

<https://www.wagners-sporthotel-oberhof.de/>

situated in a beautiful forest landscape in the green heart of Germany.

The accommodation is arranged in double and single rooms or in guesthouses with full board (*buffet breakfast, lunch and dinner*) according to your registration. We shall inform those of you who share a room with another participant in advance. The accommodation should be paid directly to the hotel before your departure (unless we have special agreements with you).

We have a few participants who arrive later, depart earlier or do not stay in the hotel, but take part as daily visitors in the conference. To arrange everything smoothly in advance, in particular all the meals, we ask all of you who do not stay there for the complete period, to inform us at your earliest convenience, but **not later than September 10, 2024**, in which meals (breakfast, lunch, dinner) you want to take part in your arrival/departure days. This applies in particular for the daily visitors.

6. Summary of the deadlines & Latest News

- September 10, 2024** ▷ editorial deadline for the abstract booklet,
- ▷ information about expected arrival time, if you need some shuttle service from Zella-Mehlis,
 - ▷ detailed information in which meals you want to take part (*applies to participants only with late arrival, early departure, or daily visitors*),
- September 20, 2024** ▷ email with the pdf file of your talk (*optional, applies especially to speakers on the first day*),
- ▷ information about expected arrival time (*if you do not need further assistance*).

You may visit our conference web-site (<http://fsdona2024.uni-jena.de/>) regularly to find out the latest news.

We are looking forward to meeting you in Oberhof.

Local Organisers

Dorothee D. Haroske (Jena)
Marc Hovemann (Marburg)
Cornelia Schneider (Erlangen-Nürnberg)
Markus Weimar (Würzburg)

Scientific Committee

Peter Hästö (Turku)
Juha Kinnunen (Espoo)
Luboš Pick (Prague)
Jonas Sauer (Jena)
Hans-Jürgen Schmeißer (Jena)
Lenka Slavíková (Prague)
